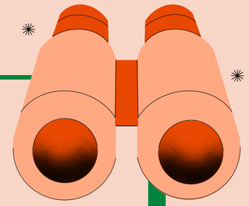
do you know

Transversal CCS domain is saying bye to paper and hello to digital rail!

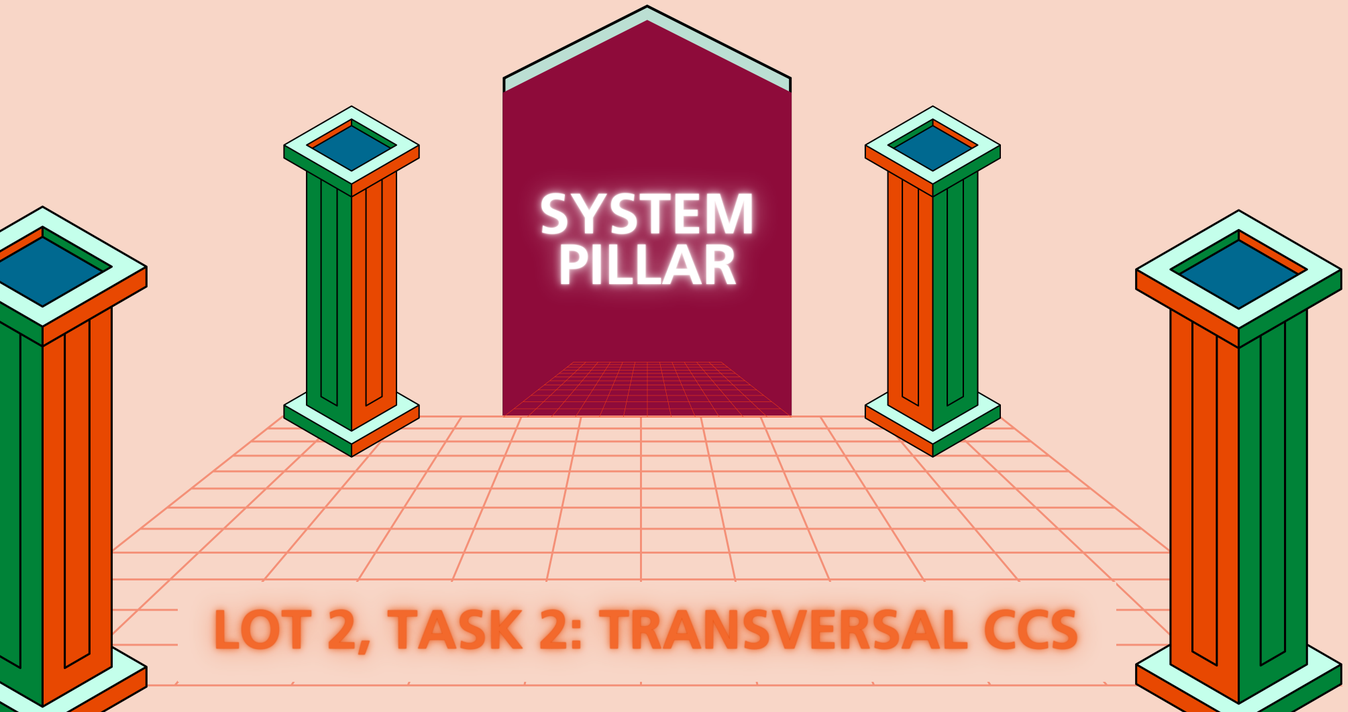


Curious?

let's find out

www.ertms.net

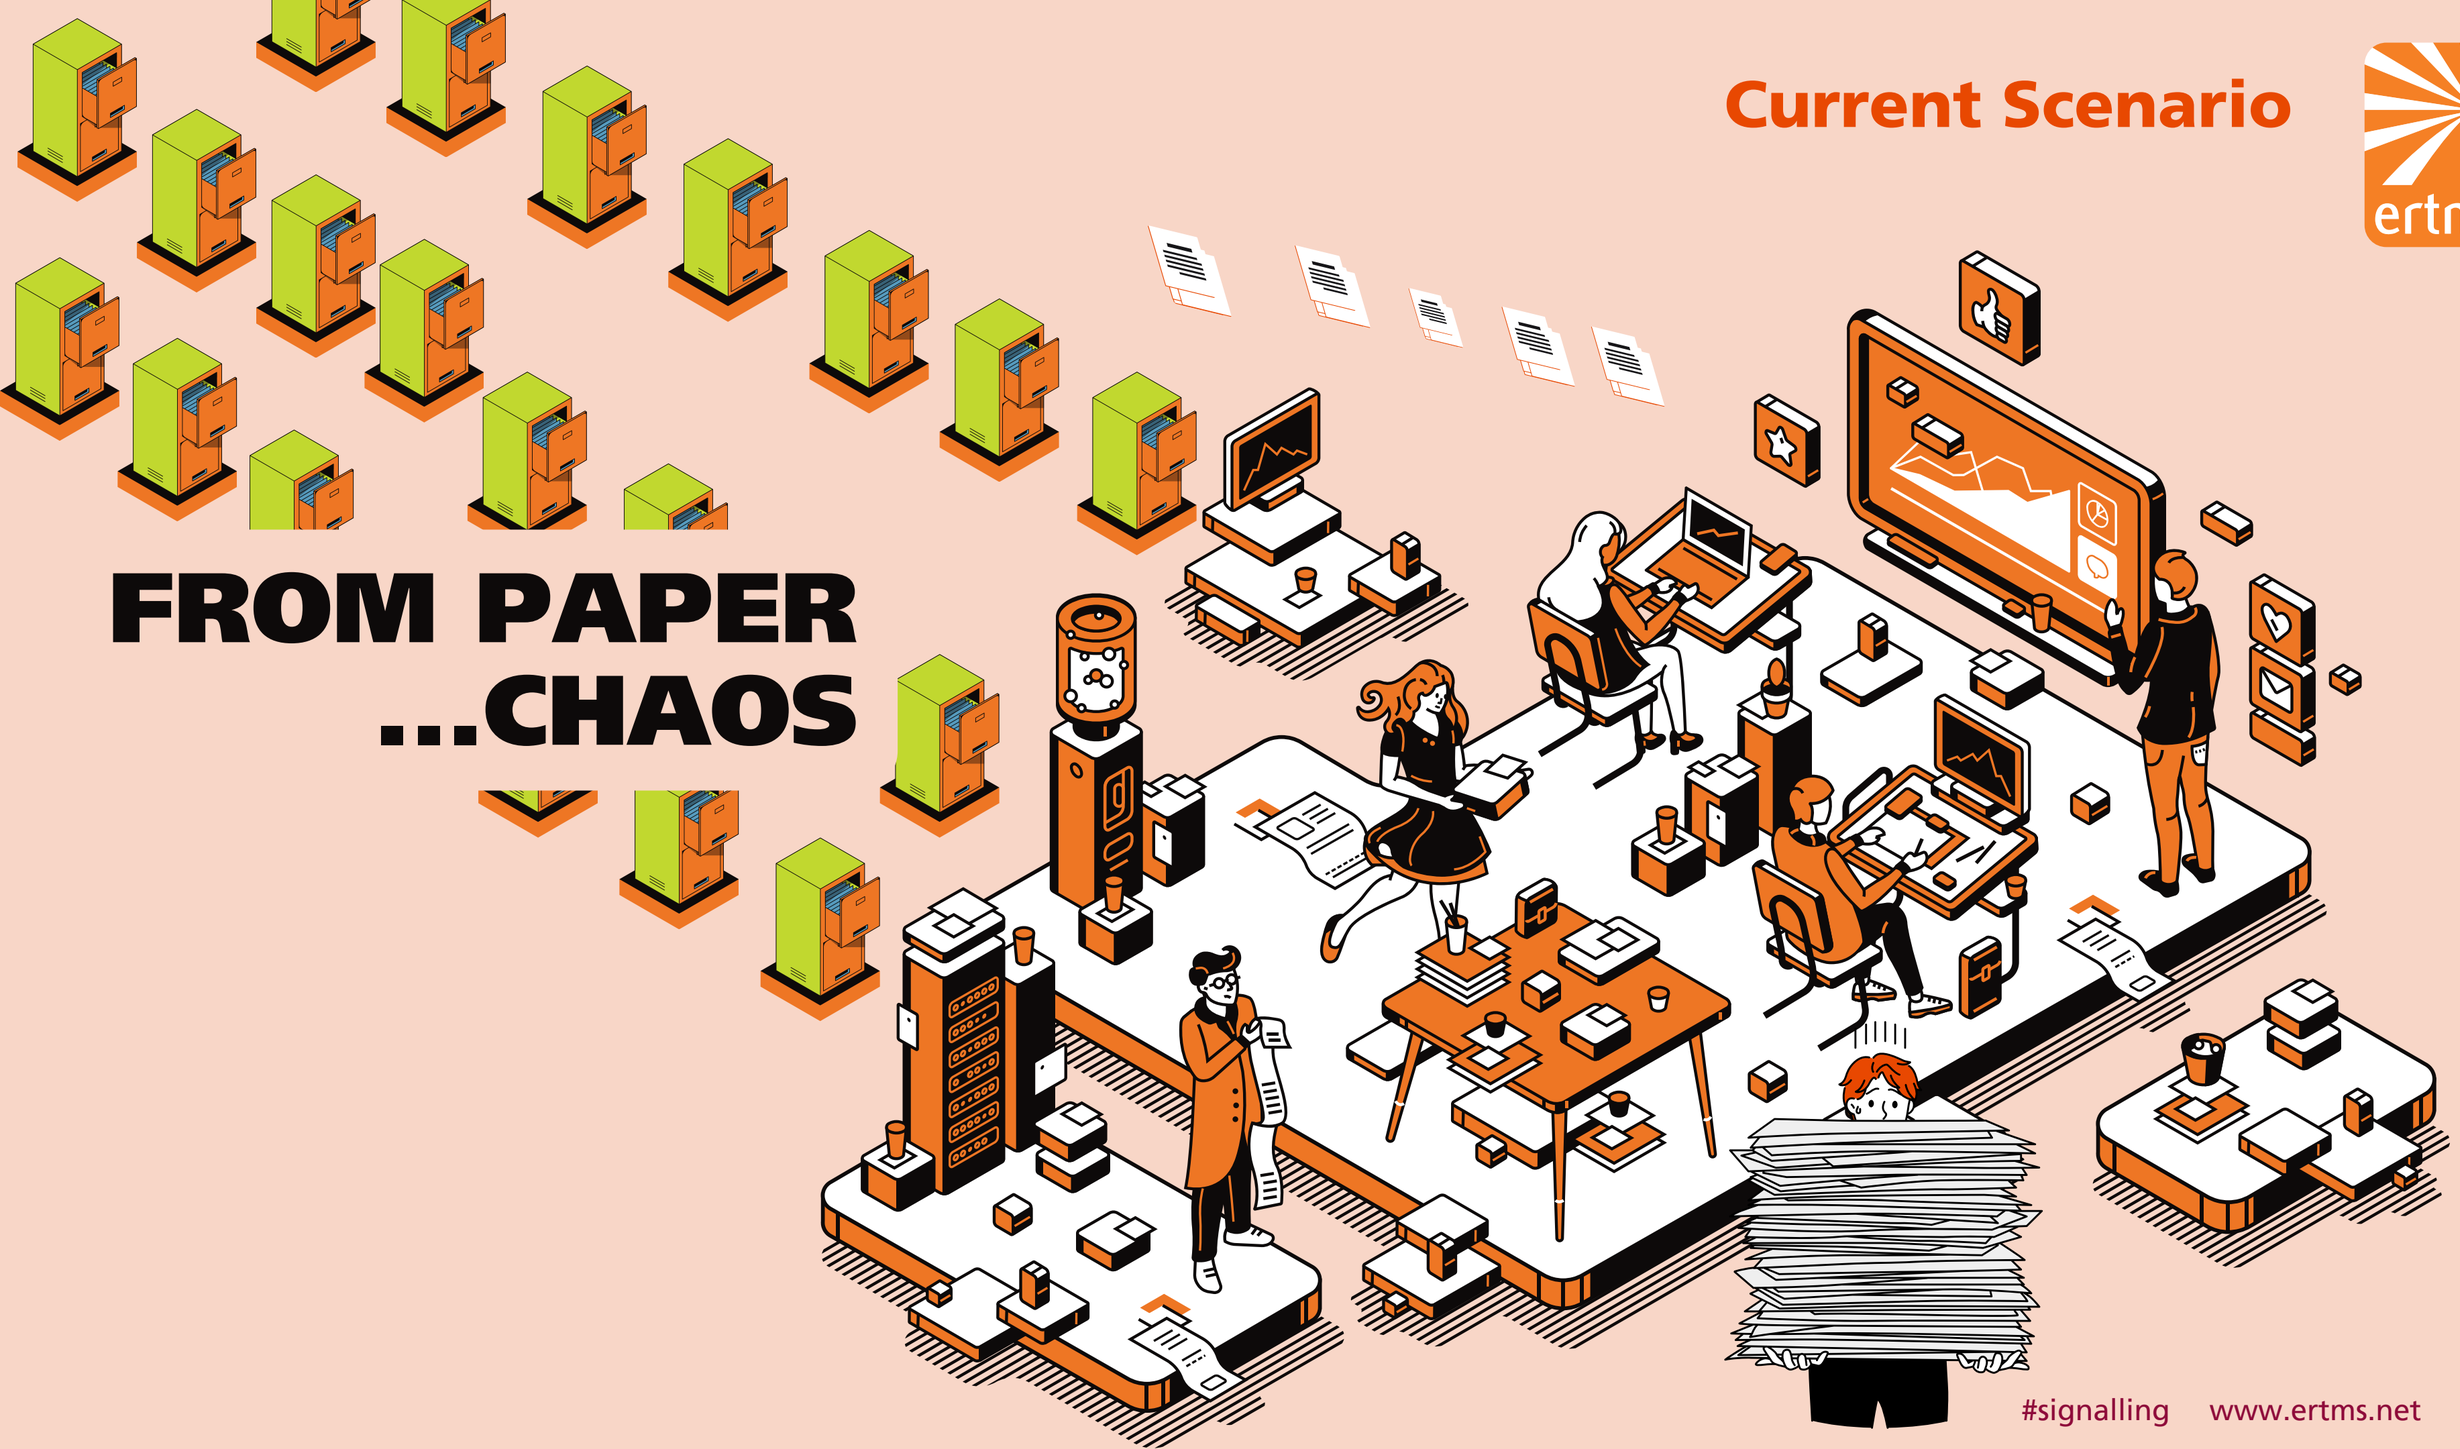
The Transversal CCS domain has delivered one of the System Pillar's key achievements for cost and time efficiency: a standardized Digital Topology Model.



But what does it mean?

Current Scenario

FROM PAPER ...CHAOS



#signalling www.ertms.net

Scenario with a standardized Digital Topology Model

TO DIGITAL CLARITY!

GETTING A LITTLE MORE TECHNICAL...
